There is a LARGE dispersed camp spot at the corner of the Ponderosa Park / Wolf Creek Campgrounds road and 97B. This is our meeting spot. You would most likely NOT want to take anything less than a 4-wheel drive vehicle past this point on 97B. There is plenty of parking at 97B & 274 trail.

Route Option #1a;

State Hwy 89 south out of Prescott, turn left or south on Ponderosa Park Rd. It is a little less than 4 miles total from 89 to the 97B dispersed area campground where we will meet. Stay on Ponderosa Park Rd. thru the community until you "T" into the Ponderosa Park / Wolf Creek road, THEN TURN LEFT and continue to 97B.

Route Option #1b; continue on 89 out to the next major left turn then left on the road to Ponderosa Park & Wolf Creek Campgrounds. ~4 miles thru Ponderosa Park residential area and to 97B. There is a large dispersed camp spot at the corner of the Ponderosa Park / Wolf Creek road and 97B. Meet here and then take 97B ~4.5 miles to 274.

Route Option #2;

Senator (Mt. Vernon street) south out of Prescott, just past the YMCA camp the road turns to dirt, take the first right towards and past the Wolf Creek campgrounds.
