

PTR Trail Day, 8:00AM Saturday 09/10/22

PNF trail 85, South of 5-Corners

coordinates; 34.41989 North, -112.38550 West

Remember, check your email or Facebook on Saturday morning to make sure that no weather/fire/flood/pandemic/war or whatever unknown condition has caused a cancellation of the workday!

We are going to **meet at 5-Corners**. At least 2 routes possible:
RED ROUTE; Start at Walker Rd & Hwy 69 where Costco or AMPM gas station is. Follow Walker Road South ~6.8 miles, just after the bridge, and turn left onto Big Bug Mesa graded gravel road. Then an additional ~6.2 miles on Big Bug Mesa and you arrive at Five Corners.
GREEN ROUTE; Start at Poland Jct. Rd & Hwy 69, about 4 miles South of Humboldt. Then an additional ~9 miles to 5-Corners.

These are graded gravel roads, and you can drive almost any vehicle to 5-Corners. You are going to need a motorcycle or Quad as we go together in groups South on 706, thru Old Dandrea Ranch, thru a Cowboy gate (leave open, last guy thru to close). At 2.35 miles take the LEFT fork AWAY from 9404V, you'll be on 9404W but it is not signed. An additional 1.16 miles and you arrive at the intersection of 85. UTV's with tools & Quads will park here and hike up ~1/8 mile to the start of trail work. Motorcyclists will need to walk or carry tools and can park at this 1/8 mile spot to begin work.

Bring your own water for the trail, PTR WILL PROVIDE LUNCH!

Start with mandatory safety meeting promptly at **8:00AM** at the PTR trailer. You must have long sleeves & pants, sturdy shoes. PTR will supply hard hats, or use your own bicycle helmet. We are running low on glasses and gloves, bring your own if you have them.
